Oregon Medical Marijuana Certificate of Analysis

Lab Report			Test Date: 7/2/15	Expiration Date: 8/31/15	Tracking#: 26750																																																																																																												
Analysis	Method	Instrument																																																																																																															
Pesticide	GC/MS	Clarius 680/SQ8T																																																																																																															
Potency	GC/FID	Clarius 680/SQ8T																																																																																																															
Mold/Mildew (aerobic option)	Petrifilm Culture	N/A																																																																																																															
Terpene	GC/FID	Clarius 680/SQ8T	Source: Oregon's Finest - So Fresh																																																																																																														
Terpene Profile			Matrix: Flower
